VERC Enterprises, a leading independent convenience store, gasoline station and car wash operation with 23 locations throughout Eastern Massachusetts and New Hampshire, recently presented the Gifford School in Weston with a check for \$750, a grant made possible through the ExxonMobil Educational Alliance Program.

Funded by the ExxonMobil Corporation, the ExxonMobil Educational Alliance program is designed to provide local retailers an opportunity to invest in the future of their communities through educational grants to neighborhood schools.

“We’re proud to participate in such a fine program that recognizes and supports the quality of local schools,” said Leo Vercollone, CEO of VERC Enterprises.
